Emergency Shelters

Shelters are opened as needed during an emergency, and not all shelters may open at the same time. Shelters are designed to house residents of the barrier islands, those in low-lying or flood-prone areas, in **evacuation zones**, mobile or manufactured homes, or with no other sheltering options. Your first, best choice is to stay with family or friends in a safe place.

When shelters are opened, they will be labeled open under the status column below, and announced via local radio, TV broadcasts and social media. If seeking shelter, take your **disaster supply kit**. Cots and blankets will not be provided, and shelters will not have everything that you need.

The pet-friendly shelter will accept dogs or cats, and all pets must be in a carrier/crate, and all dogs must have a collar with a leash. Residents should be prepared to show proof of rabies certificates and their pet's Martin County Registration Tag. Bring your disaster supply kit for you, and your pet.

A special needs shelter will be designated and will provide basic medical assistance and monitoring. Pre-registration is strongly recommended via **online registration** or by calling Martin County Emergency Management at **(772) 287-1652**.

Status	Last Updated	Shelter	Address	Pet friendly
Closed	12/05/2019	Jensen Beach High School	2875 NW Goldenrod Road Jensen Beach, FL 34957	No for pet friendly
